

Now Hiring: Swim Instructors

Do you enjoy swimming? Have you ever thought about helping others learn to swim?

The RFC is looking for swim instructors for the summer. A WSI certification is strongly recommended but not required. If you have never taught lessons before, you will have the opportunity to first work as an aide with an experienced instructor until you are comfortable and confident enough to teach on your own. Swim instructor aides must be at least 14 years old and swim instructors must be at least 15 years old.

If you are interested in teaching swim lessons here at the RFC or have any questions about our swim programs, please reach out to Annie Corbett at acorbett@morris.umn.edu or 320-589-7011.
