Increase muscle + gain strength with our 3-week Summer progression strength program led by Certified Trainer, Shadow Rohloff, held in the RFC fitness room. Focus on specific muscle groups, 3 days a week, & work to get stronger with proper form & a large variety of strength exercises. Get comfortable in the weight room with this 6-week program designed to provide accountability, motivation & structure to your strength training routine. We will optimize our workout time by targeting specific muscle groups and increasing reps or weight to build lean muscle in the body.
